Red Power Electrical Supply and Development Services Corp.

"Commitment to Serve God by Protecting People, Community and Environment While we run this Business"

RED POWER ELECTRICAL SUPPLY AND DEVELOPMENT SERVICES CORPORATION

"Commitment to Serve God by Protecting People, Community and Environment While we run this Business"

The Intelligent Way to Plan

As a Catalyst of Change, we envision a Highly Sustainable, Dynamic, Service Oriented Red Power Electrical Supply and Services Corporation with a Manpower, Staff, and Officers valuing the spirit of Team Cooperativism as a way of Life anchored on Core Values of Integrity, Commitment, Proficiency, Costumer Friendly and Teamwork.

The Company was established in 2021 and engaged in Trading Electrical Supplies and General Construction offering services in terms of Site Analysis, Feasibility Studies, Preliminary Design Studies, and Fit-Out Works. We handle various industrial, distribution, bpo, manufacturing, office, retail, recreational, healthcare, and commercial projects in the Philippines for the past 10 years of Work Experience before we open this company.

Red Power Team is a leader in providing value-added electrical panel builders and construction services to our customers by creating a successful partnership with them throughout the construction process. Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team.

Our Mission

Dedication in providing quality supply technical and management services to our customers. We will strive to implement a long term relationship with our clients, based on safety, quality, timely service and an anticipation of their needs. To help fulfill this mission, we will treat all employees fairly and involve them in the quality improvement process to insure responsiveness and cost effective work execution.

Core Values

These are our core values:

Integrity	HSE	Quality	Commitment
Reliability	Teamwork	Trust	Proficiency

We are easy to find.

Let us know your needs.

Introduction

RED POWER ELECTRICAL SUPPLY AND DEVELOPMENT SERVICES CORP. is a TEAM for the fast ten years, working as ONE as technical service provider. Geared up with technical knowledge, experience, eagerness to engage in field of services for electrical and construction industry, we come up to put up our own company.

Red Power Electrical Supply and Development Services Corp. was founded last December 2020. We established our business and certified by the Security and Exchange Commission as corporation on February 23, 2021. Our line of undertaking was on trading of Electrical supplies and Hardware supplies. We also engaged in General Contractor for Construction. Our Team is also specialized in Fabrication, Modernization, Retrofitting of MVSG, LVSG, MCC, ATS, and other Electrical related works.

Other than this, we also caters the needs of healthcare facilities. We have a Team who are specialized in various installation of medical facilities shielding such as Silicon Metal, Radio Frequency, Radiation, Lead Shielding which is use for CT Scan, Xray, Mammography, MRI and the latest Radiation Machine for Cancer Center Facilities.

We have also the local production of leaded door capable for use with this machine. And our team is the only accredited local installer of RF Cabin in Philippines from Korea.

Red Power now provides the highly diversified specialty services to a wide range of markets, offering multi-discipline engineered package services that can fit and design for all type Emergency Services construction and maintenance contracts, including testing, pre - commissioning, commissioning, and decommissioning.

We fully believes in teaming up with our client. This partnership system will combines the expertise of both parties in governing a flatform where the correct criteria can be manage to effectively providing solution to reach the milestone required of each project objectives.

Our Product Lines and List of Equipment and Supplies are enclosed for your reference.

We would like to Thanks for giving this opportunity to introduce our Company and Hope to provide of good service to you in your up coming project.

We look forward to team up with you soon.

About Our Services

Testing Equipment

CEM DT-6650 MULTIFUNCTION INSTALLATION TESTER

GF438II THREE PHASE POWER QUALITY ANALYZER WITH 6000A CURRENT PROBE

HIOKI INSULATION TESTER IR4056

HIOKI FT6031-03 WATERPROOF EARTH GROUND TESTER

Fluke 375 FC True-RMS AC/DC Clamp Meter

AC CLAMP METER 3280-10F

Equipment

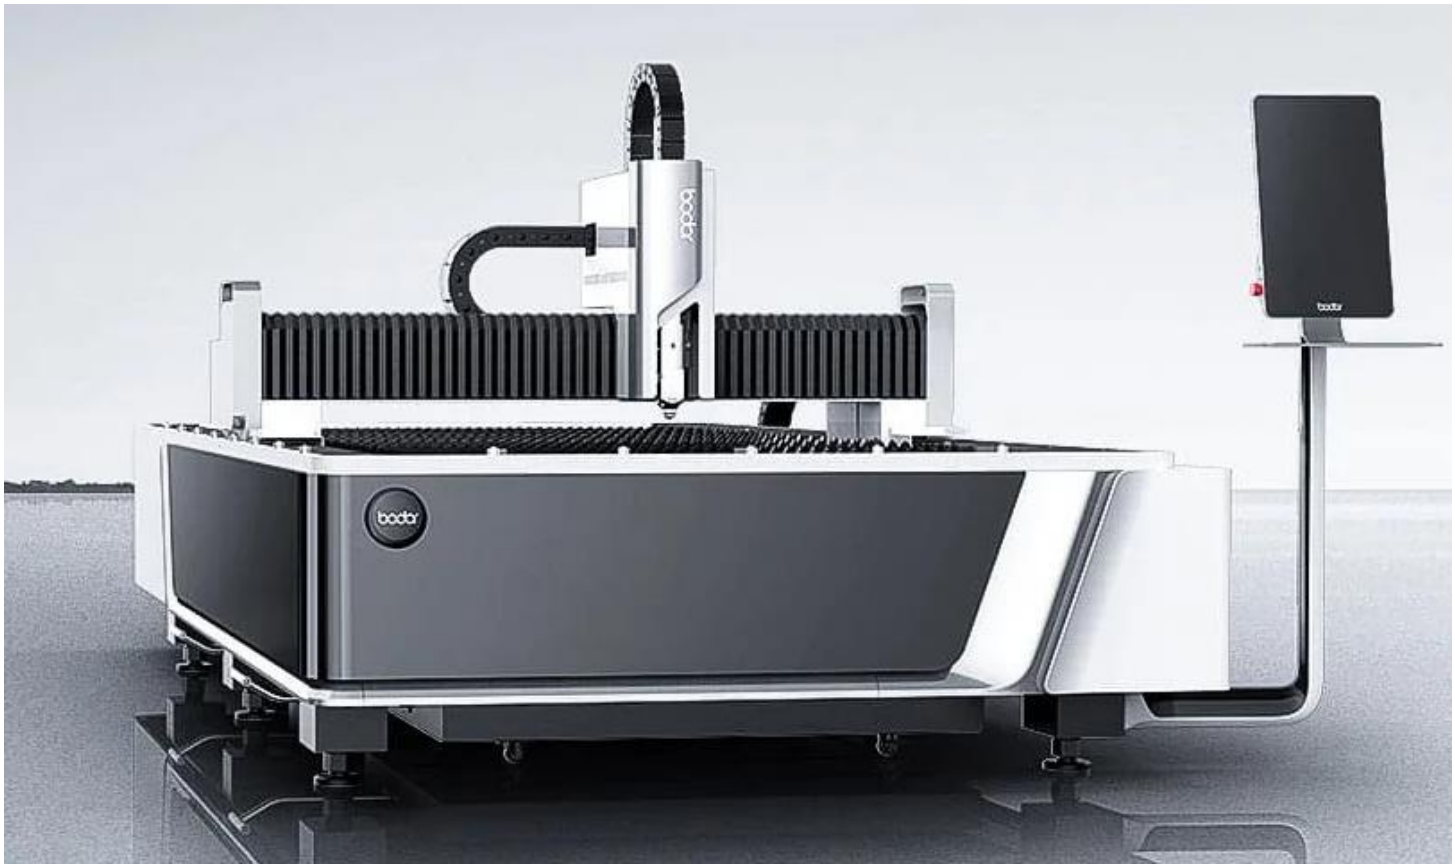

EURA NC Hydraulic Swing Beam Shear Model AYSC6X2600

EURA NC Hydraulic Press Brake Model AYPBC 26125

Equipment

BODOR Fiber Laser Cutting Machine A Series

Equipment

EURA NC Hydraulic Busbar Processing Machine Model BB-3-B-CNC

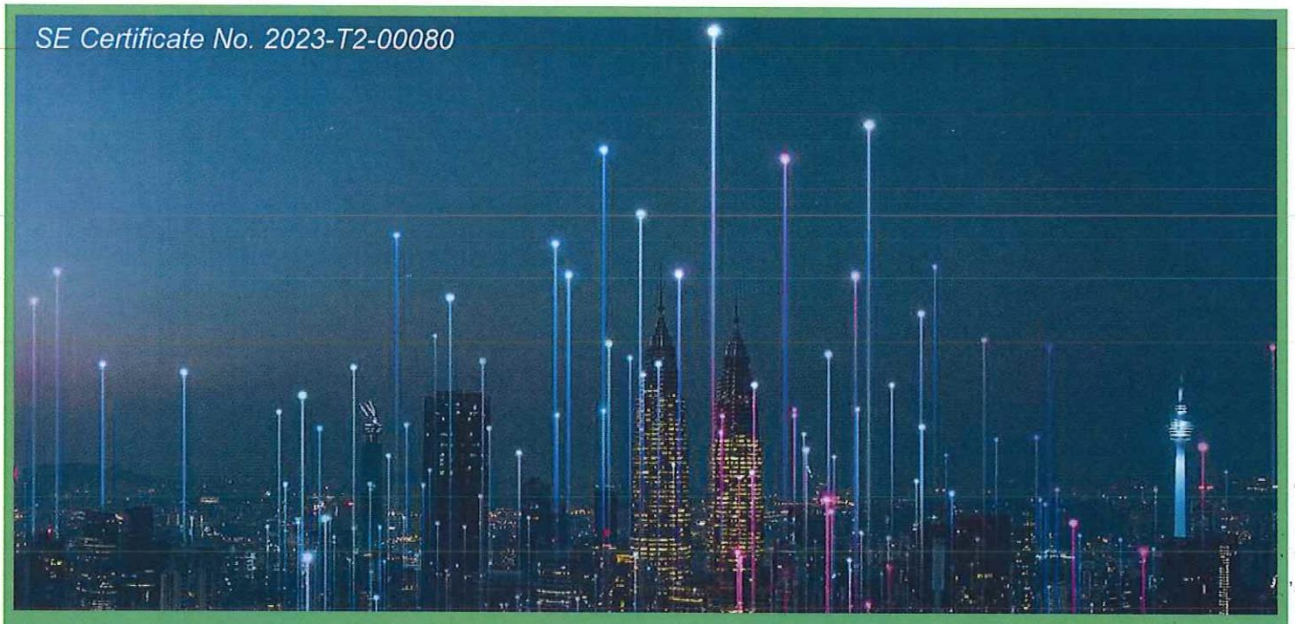

Supplies

Products that we supplied direct from our Partner Distributor and Manufacturer.

1. Medium and Low Voltage Circuit Breaker and accessories

2. Low Voltage Circuit Breaker and Accessories distributed by GE Electric Philippines
3. Medium and Low Voltage Circuit Breaker and Accessories distributed by EATON Electric Philippines
4. Low Voltage Circuit Breaker and Accessories distributed by Fuji Electric Philippines
5. Low Voltage Circuit Breaker and Accessories distributed by Himel Electric Philippines
6. Medium and Low Voltage Circuit Breaker and Accessories distributed by LS Electric Philippines
7. Medium and Low Voltage Circuit Breaker and Accessories distributed by Shinlin Electric Philippines
8. Un Interruptible Power Supply, Automatic Voltage Regulator Power Transformer distributed by Nuovotec Incorporation
9. Power Transformer manufactured by RB Velasco Power System Corporation.
10. Solar Power Supply distributed by Magnus Enterprises one of Solar Power Providers in the Philippines
11. Supply and Installation of MRI RF Cabin and Accessories with Testing in partnership with, Daehan Shield Engineering LTD of Korea

Schneider CCP Certificate

CCP CERTIFICATE

This is to certify that

CERTIFICATE OF INCORPORATION

KNOW ALL PERSONS BY THESE PRESENTS:

This is to certify that the Articles of Incorporation and By Laws of:

RED POWER ELECTRICAL SUPPLY AND DEVELOPMENT SERVICES CORP.

were duly approved by the Commission on this date upon the issuance of this Certificate of Incorporation in accordance with the Revised Corporation Code of the Philippines (Republic Act No. 11232), which took effect on February 23, 2019 and copies of said Articles of Incorporation and By Laws are hereto attached.

This Certificate grants juridical personality to the corporation but does not authorize it to issue, sell or offer for sale to the public, securities such as but not limited to, shares of stock, investment contracts, debt instruments and virtual currencies without prior Registration Statement approved by the Securities and Exchange Commission; nor to undertake business activities requiring a Secondary License from this Commission such as, but not limited to acting as: broker or dealer in securities, government securities eligible dealer (GSED), investment adviser of an investment company, close-end or open-end investment company, investment house, transfer agent, commodity/financial futures exchange/broker/merchant, financing/lending company, and time shares/club shares/membership certificate issuers or selling agents thereof; nor to operate a fiat money to virtual currency exchange. Neither does this Certificate constitute a permit to undertake activities for which other government agencies require a license or permit.

This Certificate **DOES NOT AUTHORIZE INVESTMENT SOLICITATION AND INVESTMENT-TAKING WITHOUT A SECONDARY LICENSE FROM THIS COMMISSION.**

As a registered corporation, it shall submit annually to this Commission the reports indicated at the back of this certificate.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of this Commission to be affixed to this Certificate at Ground Floor, Secretariat Building, PICC Complex, Pasay City, Metro Manila, Philippines, this day of 23 February Two Thousand Twenty One.
